YOU KNOW OF KYLE WILLOUVE, YAMATO?
Hmm
YOU'RE CLUELESS ABOUT CELEBRITIES
LAST YEAR HE WAS F1'S WORLD CHAMPION. HE'S THE 2ND MOST FAMOUS RACER IN THE WORLD.
HE'S FAMOUS FOR BEING PARTIAL TO JAPANESE PEOPLE. AND BECAUSE OF THAT HE'S LOOKED DOWN UPON AS A PERVERT
ON THE EVENING OF THE JAPANESE GRAND PRIX THERE WAS A RECEPTION PARTY AND MY MODELING AGENCY PLAYED HOST.
WE MET AND SINCE THEN HE'S BEEN WORKING ON SEDUCING ME
Huh?
I am a hottie so you can't blame him.
Huh
Eh?

Nishitaka Seiji isn't only famous for his landscape photos. He's quite famous for other photos as well.
Last year, he published a collection of nude shots of a model named "Ritsuya".
The relationship between those two has always been questionable, huh?

Nishitaka Seiji 2nd Nude Photo Collection Book Features a New Model
So, what about the new model who's been appointed to him?
Well, it's apparent that Nishitaka's "tastes" lie in the newer models, huh?

I'M THEIR NEW FACE!?
Now we will accept questions.
What is the reason now for making the step into Japan?
Until now there has been no move to expand the brand Noia from Hong Kong.
So, this recent model was a big selection for Keita-san?
Is this because of a large part played by Mr. Tobe?
Certainly ...
Tobe severed his ties with work and, at the beginning, stayed close to the model.
No
Tobe Seiichirou is a large reason for the introduction.
Kong!
He wanted to develop a new Noia in Japan.

HUH!?
How big of a part he played selecting the model is unknown.
Refining and polishing of a model is a must.
He must be remade into my image in order to become my muse.
However a designer who did not have his finger on choosing and molding the new face of a brand would truly be a fool.

Hello Higashino Yuu here

Thank you so much for buying my 9th comic publication ♂
(Please look at the next page for buying information.)
This time the comics were in the Pleasure Garden series. Also there was a "Nude no Shisen" extra story as well. Regarding the Pleasure Garden series, personally I was aiming at a Harlequin Romance ♂ and lately I've had a growing interest in foreigners as semes!

Usually, it takes five times for my naive self to say it. It was embarrassing to pen such a gradiose romance (and it's selfish to think it, too *laughs*), but drawing it was fun ♂ If everyone enjoys it then that makes me happy. Also definitely, definitely write me your impressions on this book please! With your help (knock on wood), I'll introduce more foreign semes *laughs*. I have many more storylines and characters to contend with, so thank you for your reading this far. That's it, please look forward to my next comic...☆
